

NOTICE TO OUR DEAR VISITORS

To ensure the best conditions for your visit and the interest of our children, we ask you to observe the following rules:

Visiting hours in our village are from 9:00 am to 5:00 pm.

For the safety of our children, visitors are asked to park their cars outside the village. Visitors transporting heavy objects or disabled persons are exempt.

Visitor cards will be available for you at the entrance. Please fill them out to better guide you to the person who will accompany you on your visit to the village. Please bring your passport or identity card. We will make a copy of it for safety reasons.

Photographing the children and entering the houses, nursery and classrooms are not allowed without permission.

Sweets are not allowed; the food store managers can help you if you would like to provide a healthy snack for our children and are available for more information.

The health and safety of our children is our priority.

We thank you for your understanding and wish you a wonderful time full of joy and sharing.
